

Industrial Development

Industrial Development is the primary mission of the Economic Development Corporation. Retaining existing industries while providing opportunities for new industries is priority effort. Since the inception of the EDC, there have been over 40 industrial or industrial service companies locate in Ennis. The City of Ennis has awarded 53 Industrial Tax Abatements to existing and new industries that stimulated over \$660 Million dollars of private capital investment.

When we say "Ennis is Open for Business" we mean it!!
