

2023-2024

COMMUNITY PROFILE

ENNIS, WHERE SMALL TOWN CHARM MEETS RAPID GROWTH AND OPPORTUNITY.

When Ennis was damaged by a tornado, it was seen as an opportunity to build a better Ennis for the community and visitors. With the Downtown and Comprehensive Master Plan approved and in place to guide, the community is growing in a way that positively impacts its future and preserves the past.

Ennis is on the cusp of rapid growth and prosperity and the Ennis Economic Development Corporation is leading the efforts to attract and retain new businesses by providing assistance in the development process and competitive incentives. Business parks offer affordable land prices, reliable utilities and access to major highways and rail spurs. For commercial air travel, Ennis is a quick 45-minute drive from DFW International and Dallas Love Field airports. Ennis' central location allows most major North American cities to be reached on a four-hour flight.

Downtown revitalization, significant housing growth, public park and trail improvements and many new businesses including Freshpet, Buc-ee's, Americase Construction and Fabrication, and other new and expanded businesses are just a few of the MANY exciting changes currently underway in Ennis, Ennis is on the rise!

The old adage, "Timing is Everything", certainly holds true in Ennis. We invite you to be a part of the early development wave in Ennis and take advantage of the favorable land cost and development friendly atmosphere.
